Experience

Subdrive, LLC - 2005-2010

Owner and label manager. Subdrive started as a radio show and blog in 2005, last year it was relaunched as an open-source dance music web label and creative collective. The brand sells and gives away the stems to its artist's songs as well as giving away releases for free. Subdrive has had showcases at the world respected Winter Music Conference in Miami and CMJ in New York. Its artists have appeared on BBC Radio 1 and have performed around the world. Designed all the marketing, release covers, and identities of the artists in-house.

U.S. Department of Housing and Urban Development - 2008-2010

Redesigned and maintained monthly bilingual resident community newsletters that were distributed to public housing communities nationwide. Designed and laid out a 400+ page book for 2009 housing statistics.

Antidote Films - 2008-2010

Various motion graphics projects for feature films, video retouching, end titles for "Roman Polanski: Wanted and Desired", "The Dungeon Masters", as well as "Soul Power".

Hepcat Music, LLC - 2007-2008

Art Director. Designed and worked with a team to develop the social-network's core-concept, design, and functionality. Designed UX and UI geared towards a "natural" emotional interaction between the user and website. Developed a custom back-end and front-end that avoiding using Flash technology.

Fountainhead Media - 2007

Motion graphics, promotional videos, animations, and editing for Condé Nast, Moët & Chandon, and other clients.

MTV 44.5 - 2007

Developed 15 second spot for MTV's Times Square HD screen.

WPIR Pratt Radio - 2005-2007

Designed and managed the website as well as maintained the station's operations as station manager.

Yoshitoshi Records - 2006-2007

Designed global e-mail marketing blasts, advertisements, and full album releases which included packaging, promotional materials, and iTunes digital booklets.
